FLORIDA MEDICAL ASSOCIATION, HIPPA AND FINANCIAL RESPONSIBILITY

THE FLORIDA MEDICAL ASSOCIATION

The current professional liability insurance crisis in Florida affects you and every other patient. Because many physicians are being forced to stop performing certain procedures, retire early or leave to practice in other states where premiums are lower, patients are losing access to their physician. At a time when Florida's population has grown faster than any other state, 63 hospitals have closed in the past 15 years. Patient care is at risk; people have less access. In order to ensure your continued access to physicians in Florida, I am asking you to sign the below notice. If you do not understand this form, you have the right to take it to your attorney to have him or her explain the form to you. YOU MAY CONSULT WITH AN ATTORNEY BEFORE SIGNING THIS FORM. Waiver of the constitutional right provided in article 1, section 21, Florida Constitution. Access to courts – The courts shall be open to every person for redress of any injury, and justice shall be administered without sale, denial or delay. *I have been advised that signing this waiver releases an important constitutional right; and By signing this waiver I agree that if any controversy arises out of or in any way relating to the current, future or past diagnosis, treatment or care that I have or will receive from the physician or group of physicians listed below, or the physician(s)'s agents or employees, the maximum amount of any non-economic damages that can be awarded in any such action will be \$250,000.* This limit applies regardless of the number of claimants or defendants in the proceeding. There is no limit on the amount of economic damages that a jury may award. By signing, I agree to let my case go to arbitration before making a decision.

I have read & understand this notice.
